Bank Charges

Bank charges may apply when you make a bank transfer / telegraphic transfer.

These charges will be undertaken by you and CGS-CIMB Securities (Singapore) Pte. Ltd. will only credit your account with the actual amount received after deduction of these charges.

Currency Conversions

Fund deposits will only be available in your account base currency.

If you deposit funds in a currency that is different from your account base currency, your funds will be automatically accepted and converted to the account base currency that you have chosen (USD or SGD) at the exchange rate at point of conversion. This conversion is non-refundable.

Note

Funds will need to be sighted and cleared first before they are deemed available for trading.

Margin stop-outs cannot be postponed based on any incoming funds that have not been cleared and booked into your trading account.

Should you have any queries, please feel free to email us at sg.fxdquery@cgs-cimb.com.
